

## WHAT IS CPI - Restrictive Practice Overview

CPI is an international training organisation committed to best practices and safe behaviour management methods that focus on prevention. CPI educates and empowers professionals to create safe and respectful environments for our pupils. CPI stands for Crisis Prevention Institute; the goal of special education is to ensure that children with ALN receive consistent meaningful methods of support enhancing safety and regulation. We aim to ensure we create safe, manageable environments for our pupils and staff, using a number of designated interventions meeting individual pupil needs

Recertification training annually ensures all staff are able to provide quality provision, based on CPI principles of Care, Welfare, Safety and Security . We aim to minimise the risk factors through building both staff confidence and competencies when facing challenging situations. This training ensures staff have the proactive skills to develop bespoke personal support plans for all our learners.
