Dear Parent/Carer

Proposed School Reorganisation

Further to previous correspondence, please be advised that following a period of Statutory Notice, the proposal to amalgamate Ysgol Crug Glas and Ysgol Pen-y-Bryn on existing school sites from 1 September 2025 and relocate to a new purpose-built school on 1 April 2028, was approved by Cabinet on 18 April 2024. The reason for this decision can be outlined as follows:

- Enhances the quality and standards of education
- Supports the predicted demand for places for those with complex needs
- Provides cost-effective provision
- Improves accessibility and positively contributes to the equality agenda for our most vulnerable pupils
- Offers a positive impact on all other services provided in the area for pupils with disabilities and/or additional learning needs
- There have been no objections and the proposal process has been conducted in accordance with the School Organisation Code
