How to access J2E at home

**1.** Go to https://hwb.gov.wales/ and click *log in* towards the top right of the page
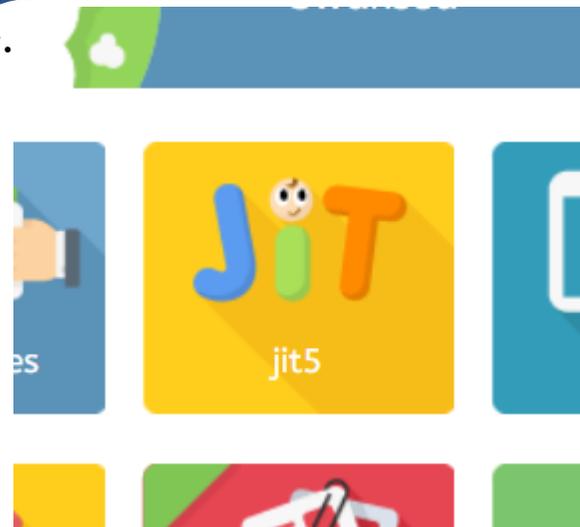

2. Enter the log in details on your log in card. The writing with a yellow background is the username. The writing with a green background is the password.
Click *sign in*

3. Click on Just2easy in the options that appear.

Google for Education
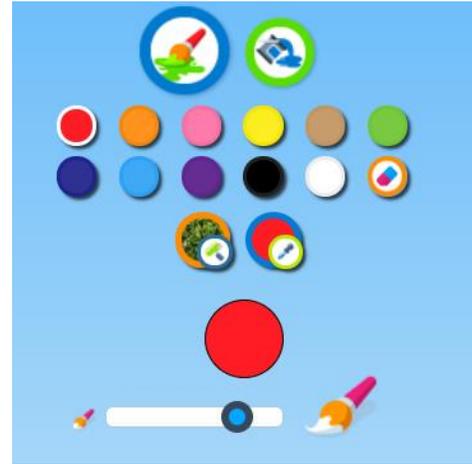

Just2easy

Encyclopaedia Britannica

360 degree safe Cymru

ashboard   Playlists   User management

4. Click on JIT

jit5

5. Across the top of the page you will have different options. Click on mix.

write   paint   turtle   chart   pictogram   animate   branch   mix

6.

Four different layout options will appear. Click on the one that looks like this and then click the tick at the bottom of the pictures.

7.

To the left of the screen you have your drawing tools

8.

You can also put in clip art. Use the left and right arrows to look through the Christmas pictures. You can make the clipart bigger or smaller using the + or – buttons

9.

When you're happy with your picture, you can write your message. Click on the text box at the bottom and start typing.

10.

When you're done, type class Christmas card on the white box towards the top of the screen.

11.

Save your work by clicking on the floppy disk at the top left of the page.
