

Literacy

1. Watch the 'very hungry caterpillar' story on Youtube or read the book together (if you have it)

<https://www.youtube.com/watch?v=75NQK-Sm1YY>

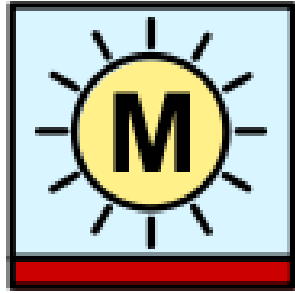

2. Child can cut the symbols out (support may be needed).

3. Match the day of the week with the correct food that the 'Hungry caterpillar' ate that day

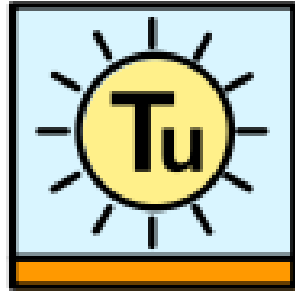

4. Stick onto a sheet of paper in the correct order.

Skills to work on

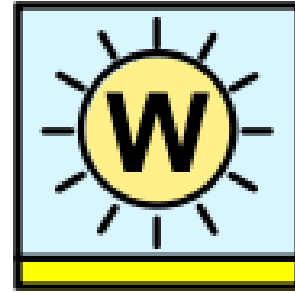

- Following verbal instructions
- Fine motor skills- holding scissors, using glue appropriately
- Reading symbols
- Understanding the story- may need to refer to book/video to support child
- Counting fruit on each day (verbal, sign or using number symbols at bottom of document)
- Identify what fruit there is and what colour they are
- Once dry ask child write their name at top of page (may need to do dots to follow or write their name for them to copy)
