

 Hello  Dosbarth  Rhossili,

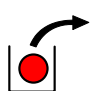

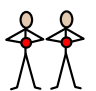

**16.10.20**

 Today  is  Friday  and  Friday  is  usually  our  cooking  day

 Today's  Activities  are to  make '  Harvest  cookies '.  I  will  attach

 the recipe  and  method..

 Cooking  is a  brilliant  way to  practice  all of  our  important  skills.

 **Literacy:**  We  can  read the  recipe  and  method.  Remember  to  sound  out  our

 tricky  sounds  and  words.  We  may  need  to  write  a  shopping list  of

 ingredients  that  we  need

 **Maths;**  Using  our  measuring  and  number  skills  we  can  make  sure  that we

 have  the  correct  amount  of  ingredients

**PSE- Life skills:** Our last job when cooking is to make sure

we have cleaned up and put away all of our equipments.

We need to help the grown ups wash, clean and put away

everything we use.

Have lots of fun and enjoy tasting the cookies. I look

forward to seeing and hearing all about what you do.

Take care, stay safe and keep smiling.

From, Miss Baker
