Dosbarth Tor Bay

Language, Literacy, Communication

Activity: Communication

- Life Skills – Making Squash
- Experiment and play with liquids and a variety of beakers/containers.
- Use the symbol support task-list to give instructions to make a drink of squash. Work together to make a drink.

Resources: symbol support sheet, cups, squash, empty bottles, jugs, containers

Maths and Numeracy

Activity: Maths

- Life Skills – Making a Drink
- Use the terms full, empty, nearly full and nearly empty when making drinks at home.
- Practice pouring to a line by putting a mark around the cup with a pen or elastic band for the pupils to know how much to pour.

Resources: jug or bottle, glasses, plastic cups, elastic bands, preferred drink

Science and Technology

Activity: Technology

- Use internet to search for Lion King or Aladdin songs. With support, pupils may be able to type *Lion King songs* or *Aladdin songs* into Google or you can search for them.
- After searching, get the pupils to choose a song to listen to, either by pointing or by using IT independently.

Resources: Internet access via mobile phone, tablet or laptop.

Expressive Arts / Humanities

Activity: Music Appreciation

- Listen to music from Aladdin, Lion King or any other musicals. Use smiley face cards to express like or dislike or tell you what they think.
- After listening to a song from Aladdin or Lion King, listen to a music from Wales – Tom Jones, Stereophonics, Male Voice Choir, harp music or whatever you like!

Resources: Internet access via mobile phone, tablet or laptop.

Health and Wellbeing

Activity: Wellbeing

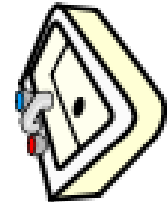

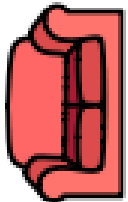

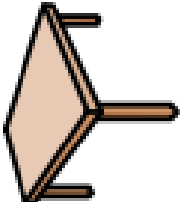

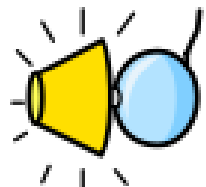

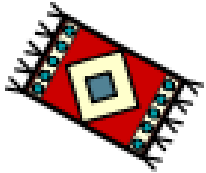

- Practice lacing skills. Thread the laces through holes.
- This activity can help develop fine motor skills by threading a lace or develop life skills by practicing tying a shoelace.
- Use the practice shoe-card and/or a real shoe. Use a video clip to teach the skill of tying a lace.

Resources: Shoe-shaped lacing card, shoes
