

## How to access J2E via the website

1.

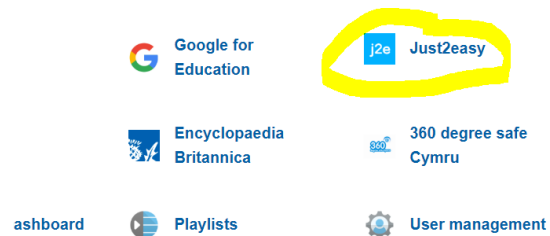

Go to <https://hwb.gov.wales/> and click *log in* towards the top right of the page

2.

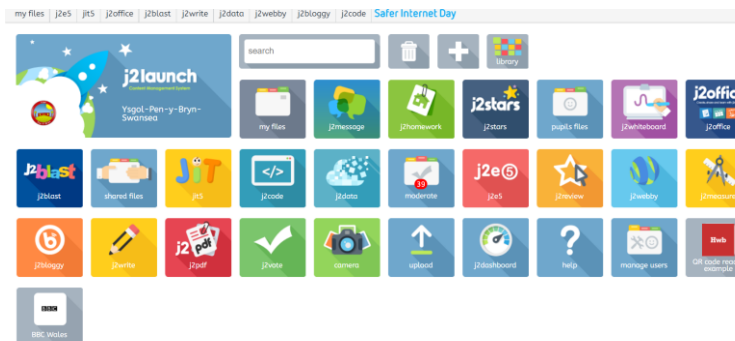

Enter the log in details on your Hwb log in card (ask your child's teacher if you don't have it). The writing with a yellow background is the username. The writing with a green background is the password. Click *sign in*

3.

Click on Just2easy in the options that appear.

4.

You will then be taken to the j2e homepage.
