

How to create something in your ClassDojo portfolios via the app

1.

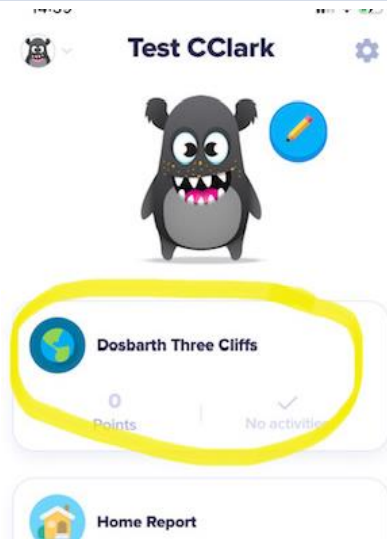

Open the ClassDojo app then click on the face in the top left corner

2.

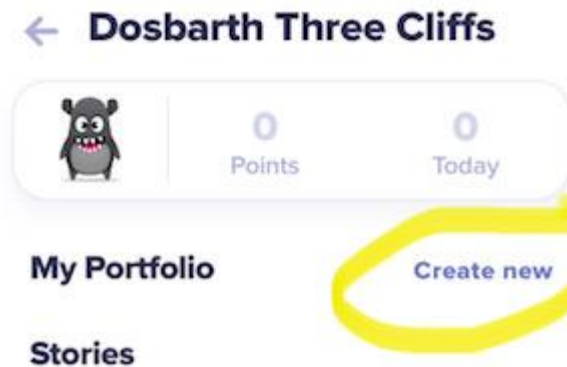

You need to be logged in as a child, rather than a parent/carer so click on your child's name. The first time you do this you will be asked for your permission for your child to access Dojo.

3.

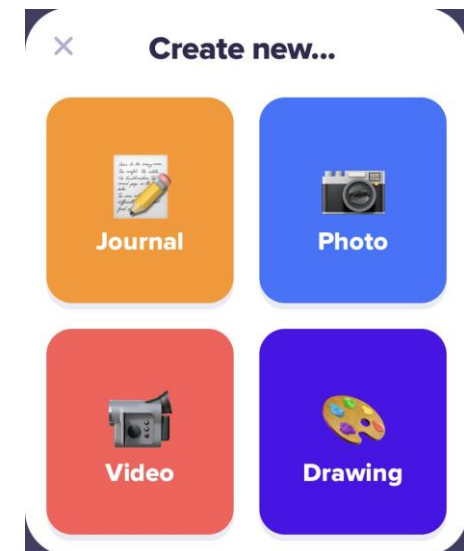

Click on your class

4.

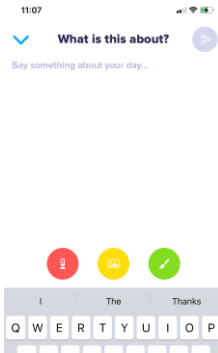

Click 'create new'

5.

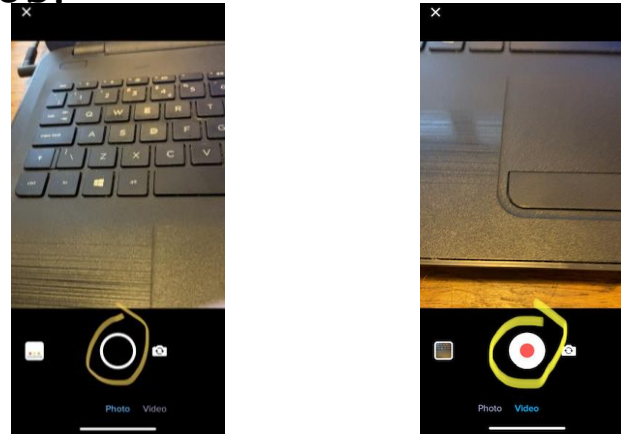

Select the tool you want to use

6a.

Journal allows you to type. You can also add a voice note, add a photo and/or draw in your journal by clicking on the red, yellow or green buttons.

6b.

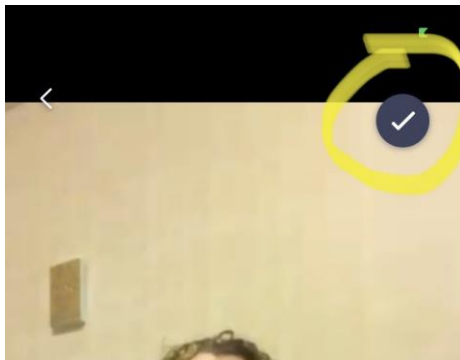

The photo and video tools allow you to take a photo/video.

6c.

To upload a photo or video you have already taken, click on the square towards the bottom of the screen. You might have to give permission to allow Dojo to access your photos/videos.

6d.

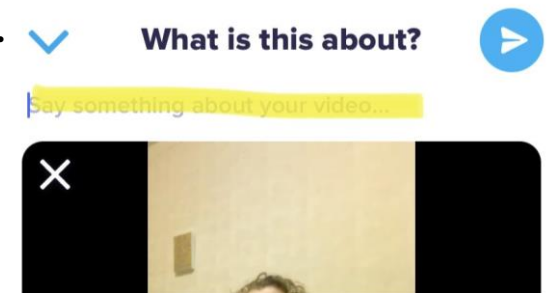

Choose the photo or video you want and then click 'select'. Then tap on the tick to start uploading.

6e.

In drawing you have a pen, a rubber, you can type or add stickers to the worksheet. When you have finished using a tool, click on the tick. Click done when you have finished.

6f.

If you have made a photo, video or a drawing, you can give it a title or say what it is about.

7.

What is this about?
