

How to edit your Welsh colours book

1.

Go to www.hwb.gov.wales

2.

Click on log in towards the top of the page

3.

Enter log in details.
User name is highlighted in yellow on the log in card, password is green.

4.

Click on Just2easy

5.

Click on my files

6.

Look for and click on your file called Lliwiau (the picture might look different to this) but it will be called Lliwiau which is Welsh for colours

7.

If there is an edit button in the top left of the screen, click on it. If there isn't one, that's fine.

8.

Click at the bottom of the screen to turn the page to find a page with a colour on

9.

You can either take photos of things around your house of the colours in the book or draw pictures of things that colour

10.

To take a photo, click on the green icon at the top of the screen, click on the + sign that appears in the menu to the right and click on the camera to take a photo

11.

To draw something, click on the pencil to the right of the screen, select the colour you want and start drawing.

12.

When you have finished, you need to save your work. Click on the floppy disc towards the top of the screen

13.

Click save and then you are done
