

School is closed

 My school Ysgol

 Pen-Y-Bryn is closed

 because of the virus.

 The virus can pass

 from 1 person to

 another.

 The virus can pass

 more in big groups.

 It is best not to be

 in big groups.

 We have big groups

 in school.

 That is why my

 school Ysgol

 Pen-Y-Bryn is closed.

 I will stay home

 for many days.

 My family want me

 to be safe.

 My teachers want me

 to be safe.

 To be safe I can make

 sure I wash my hands

 properly.

 When it is safe I can

 be in big groups

 again.

 When it is safe

 school will be open

 again.
