

 Hello  Dosbarth  Rhossili,

 As the weather  has been so  lovely  there  has been  lots of  special  visitors  to  our  gardens.  I  have had  friendly  bees,

 caterpillars  and  different  insects  in  my  garden.  These  insects  help  to  keep  our  gardens  nice  and  tidy.

 Here  are  some  fun  activities  based  on  helping  our  friends  in  the  garden:

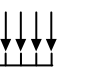

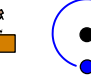

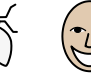

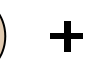

1   
1) 'Please Please the Bees' <https://www.storylineonline.net/books/please-please-bees/>

 Life  is  sweet  for  Benedict  the  bear .  Every  morning  he  wakes up  to  find  jars  of  fresh  honey  on his  back  porch.

 He  makes  honey  toast  for  breakfast,  bakes  honey  cake  in  the  afternoon,  and  drinks  honey  tea  before  bed.

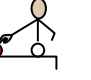

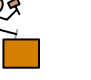

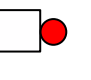

1  One  day,  the  jars  on  Benedict's  porch  are  empty.  The  bees  in  his  backyard  have  gone  on  strike!  They  are

 tired  of  doing  all  the  work  around  the  hive.  What  can  Benedict  do  to  make  the  bees  happy  and  bring

 sweetness  back to  his  days?

 Here  are  some  questions  on  the  story:

•  Benedict  is  a  "creature of habit"  and  follows  the  same  routine  day  after  day.  Describe  your  daily  routine.

 Do  you  find  that  you  do  the  same  thing  day  after  day?•

•  Benedict  and  the  bees  live  in  the  same  community.  Name  some  members  of  your  community.  How do

 they  help  you  with  your  daily  routine?

3) Try making your own bee. You could use toilet roll holder, egg carton or a balloon.

4) How about making a insect hotel in your garden? <https://www.redtedart.com/simple-bug-hotel-for-kids/>

5) Pebble or stone painting:

6) <https://www.youtube.com/watch?v=uiqDniB8T6A> Here are some facts about insects. Can you pick your favourite insect

and then on Hwb paint a picture and write a sentence telling me about your favourite. Remember to save your

work so I can see it. Here is mine:

My favourite is the bee because I like the colours and they make honey.

Hope you all have a fun week. I am looking forward to hearing everything you have done.
